

Angelica Toquero

Web Developer | Ui Ux Designer

Caloocan City, Philippines | 63+ 9205443024 | angelicatoquero33@gmail.com | [Github](#) | [Portfolio Site](#)

PROFESSIONAL SUMMARY

Creative and technically driven Web Developer and UI/UX Designer dedicated to crafting intuitive, accessible, and high-performing digital experiences. Skilled in establishing cohesive design systems, developing structured layouts, and collaborating on end-to-end software solutions. Combines logical problem-solving with a strong eye for visual hierarchy to deliver seamless interfaces across web and mobile platforms.

EXPERIENCES

Junior Data Analyst

June 2024 – August 2024

Droplets of Nature, Inc.

- Created and maintained marketing performance dashboards and reports in Excel and Power BI, delivering insights to guide campaign decisions.
- Analyzed marketing and customer data in collaboration with the business intelligence team to identify trends, ensure data accuracy, and support strategies that improved targeting and brand perform.

UI UX and Wordpress Developer Intern

November 2025- December 2025

Ayahtek Corporation

- Designed wireframes and UI layouts in Figma to support website updates and improve user experience.
- Assisted in creating responsive page designs and prototypes aligned with brand guidelines.
- Updated and customized WordPress pages, themes, and content to enhance site functionality and appearance.
